Gubernatorial Recall Election Information

A Special Election will be held on September 14, 2021 to recall Gavin Newsom from the office of Governor.

There are two sections for the voter to consider for the recall:

- The recall question asking if Governor Newsom should be recalled; and
- The contest to select a replacement if Governor Newsom is recalled.

You do not need to cast a vote for each section. You may cast a vote for either section or both.

A **"Yes"** vote on the recall question means the voter wants Governor Newsom recalled (removed) from office.

A **"No"** vote on the recall question means that the voter wants Governor Newsom to remain in office.

If a majority of the votes on the recall question are "Yes," Governor Newsom shall be removed from office and the replacement candidate receiving the highest number of votes shall be declared elected for the remainder of the governor's term of office. If one-half or more of the votes on the recall question are "No," Governor Newsom shall remain in office.

The second question on the ballot considers those candidates who are campaigning to replace Governor Newsom, if he is recalled. A voter may vote for one of those candidates who are listed on the ballot or may write in the name of a qualified write-in candidate.

Voters, regardless of their party preference or lack of party preference, may vote for any replacement candidate. The party preference, if any, designated by a replacement candidate is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is endorsed by the party or that the party approves of the candidate.

Estimated Costs to Administer the California Gubernatorial Recall Election

Pursuant to Elections Code section 11108(d), the Department of Finance, in consultation with the Secretary of State and county elections officials, has estimated the costs to administer the recall election of Governor Gavin Newsom to be \$276 million.

For more information relating to the costs of the recall election, please see the Secretary of State's website at: <https://elections.cdn.sos.ca.gov/recalls/dept-finance-letter.pdf>

PROPOSERS' STATEMENT OF REASONS

TO THE HONORABLE GAVIN NEWSOM: Pursuant to section 11020, California Elections Code, the undersigned registered qualified voters of the State of California, hereby give notice, we are the proponents of a recall petition and we intend to seek your recall and removal from the office of Governor in the State of California and to demand election of a successor in that office.

The grounds for this recall are as Follows: Governor Newsom has implemented laws which are detrimental to the citizens of this state and our way of life. Laws he endorsed favor foreign nationals, in our country illegally, over that of our own citizens. People in this state suffer the highest taxes in the nation, the highest homelessness rates, and the lowest quality of life as a result. He has imposed sanctuary state status and fails to enforce immigration laws. He unilaterally over-ruled the will of the people regarding the death penalty. He seeks to impose additional burdens on our state by the following; removing the protections of Proposition 13, rationing our water use, increasing taxes and restricting parental rights. Having no other recourse, we the people have come together to take this action, remedy these misdeeds and prevent further injustices.

GAVIN NEWSOM

The past year and a half has challenged us all. But Californians met the moment.

Our state followed science and moved aggressively to save lives and help those hardest hit.

Thanks to your collective efforts, California is beating the pandemic.

Californians have some of the best vaccination levels in the country – leaving us better protected against variants than most other states.

Now, California is making a comeback.

I believe California must use this once in a lifetime moment to come together and ensure every resident – regardless of their race or zip code – can benefit from our recovery.

That's why I launched the \$100 billion California Comeback Plan – the biggest economic recovery package in state history.

Two in three Californian families are receiving at least \$600 in direct relief, and 200,000 small businesses will benefit from our relief programs.

We are investing in solutions for our most pressing challenges – homelessness, education, infrastructure and wildfires.

But all of your sacrifice and our state's progress could be put at risk if this recall succeeds.

I ask you to vote No on the recall so we can get back to what matters –our recovery and solving our state's biggest challenges.

Governor Newsom

GOVERNOR'S ANSWER TO THE STATEMENT

WARNING: THIS UNWARRANTED RECALL EFFORT WILL COST CALIFORNIA TAXPAYERS 81 MILLION DOLLARS! IT IS BEING PUSHED BY POLITICAL EXTREMISTS SUPPORTING PRESIDENT TRUMP'S HATEFUL ATTACKS ON CALIFORNIA.

In 2018 California voters elected Governor Gavin Newsom by historic margins.

As Governor, Newsom is working to 1) increase funding for public education, 2) protect and secure Californians' health and health care, 3) improve water, roads, and bridges, 4) address the challenges of housing affordability and homelessness, and 5) prepare for the threats of wildfires.

Our budget is balanced. Our fiscal reserves are unprecedented. Our economy and employment are historically strong.

Yet a handful of partisan activists supporting President Trump and his dangerous agenda to divide America are trying to overturn the definitive will of California voters and bring Washington's broken government to California with this recall effort.

The last thing California needs is another wasteful special election, supported by those who demonize California's people and attack California's values.

Do not be fooled - California's police officers, firefighters, first responders, public school teachers, health providers, and business leaders all **STRONGLY OPPOSE** this costly recall.
